

# Western Queens POWER for the PEOPLE Campaign

Power has been out for days in Sunnyside, Woodside, Astoria and LIC. This has meant no AC, no elevators, no refrigerators, no subway service, no wages for workers in closed businesses, no rest for weary utility workers, and worst of all:

- **No answers from Con Ed management!**
- **No sign of the Mayor until the community demanded he come!**

***Enough is enough! Tell Con Ed and the City to:  
Pay us back for losses, expenses and lost wages!  
Tell us why this happened and will it happen again?***

**Sign the petition below – Help spread the word.**

We the undersigned demand:

1. Compensation for losses, expenses and lost wages from the outage (over and above Con Ed's claim form for spoiled food)
2. Free power for the length of time the outage lasted & no charge for "brownout power.
3. A Peoples' Fact-finding Investigation into the power outage – its causes, its impact on our communities and plans to prevent future outages.
4. A first alert to the community as soon as power problems occur.
5. A community civilian review board of Con Ed emergency response.
